

20 Instone St, Hilton

INDUSTRIAL CHIC

This classic Hilton cottage has undergone a full transformation, resulting in a captivating marriage of natural elements and modern convenience, harmoniously blending to create a home which functions and flows beautifully, and is fantastically liveable.

Stunning, newly polished jarrah boards, plus the use of rusted steel, tarnished copper, stone, concrete, and timber add texture and life to this open plan family residence. With walls removed in the main living area, lounge, dining and kitchen flow into one another, and then on out to the rear deck, which houses an awesome undercover outdoor.

Indoors, the kitchen provides a gas cooktop, stainless dishwasher and electric oven. The combination of stone and timber benchtops, eclectic cupboard doors and north facing windows, inviting in warming sun in the winter, make this a welcoming and homely kitchen. The outdoor kitchen offers a gas cooktop and sink. The North facing gardens are ideal for veggie
