SOLD By Ross Marshall FremantleCo

What a fantastic, spacious family home, sitting in this sought after pocket of Margaret River. In an ideal, elevated location, on a huge 1,020 m² block at the top of a quiet cup de sac, this is a perfect family home, with a fabulous garden for the children to play.

The kitchen is open plan to the living and dining area and is heated by a lovely combustion wood heater. The living space extends out to a north facing, al fresco entertaining area, with cafe blinds and its own open fireplace, offering an additional living space which can be used all year round.

The master bedroom sits to the front of the home and offers a walk through robe plus en suite, complete with spa bath. The second bedroom or study is ideally situated adjacent to the master. To the rear of the home is a separate living space, with the third and fourth bedrooms leading off, both with built in robes.
